Circular No. 256 T.H. dated 13th June 1951.

To

All the Treasury Officers.

Subject:—Procedure to be adopted in respect of spoilt stamp papers.

According to this Office Circular No. 471—B-II, dated 2nd December 1947 on the subject indicated above, vouchers were required to be forwarded to this office in support of payments made on account of spoilt stamp papers. A certificate was also required to be recorded on each voucher to the effect that the stamp papers have been examined by a Gazetted Officer other than the Treasury Officer and destroyed under his personal supervision.

It is noticed that some of the Treasury Officers are recording the certificates on the spoilt stamp papers themselves, treating them as vouchers and destroying them later on. This wrong procedure should be stopped forthwith. Payments should be made on separate vouchers and all the vouchers should be sent to this office with the required certificates thereon. Pending the prescribing of a new form the payment may be made on 'simple payees Receipt,' noting all the particulars therein.

Circular No. 56 T.H. dated 13th June 1951.

To

All the Treasury Officers.

Subject :—Procedure to be adopted in respect of spoilt stamp papers.

According to this Office Circular No. 471—B-II, dated 2nd December 1947 on the subject indicated above, vouchers were required to be forwarded to this office in support of payments made on account of spoilt stamp papers. A certificate was also required to be recorded on each voucher to the effect that the stamp papers have been examined by a Gazetted Officer other than the Treasury Officer and destroyed under his personal supervision.

It is noticed that some of the Treasury Officers are recording the certificates on the spoilt stamp papers themselves, treating them as vouchers and destroying them later on. This wrong procedure should be stopped forthwith. Payments should be made on separate vouchers and all the vouchers should be sent to this office with the

required certificates thereon. Pending the prescribing of a new form the payment may be made on 'simple payees Receipt,' noting all the particulars therein.

2068

Circular dated 22nd June 1951.

From

The Accountant-General, Mysore, Bangalore.

To

All Heads of Departments and Drawing Officers.

Subject:—Presentation of Salary and Establishment Bills for encashment at District and Taluk Treasuries.

No. 62—T.M. Reference is invited to Article 45 of M.C.A.C., Vol. I, according to which Salary and Establishment Bills may be signed and presented for payment at District and Taluk Treasuries three days or two days, as the case may be, before the last working day of the month to which they relate to facilitate audit and payment. It is reported by some of the Treasury Officers that this rule is not followed by some of the Drawing Officers. This results in congestion of bills at the Treasuries and payments are delayed. The Drawing Officers are requested strictly to conform to the rule mentioned above to facilitate the work at the Treasuries. Bills presented on the last two days of the month or on the first working day of a month are liable to be delayed and the Drawing Officers will have themselves to blame for such delays.

OFFICE OF THE SENIOR SURGEON IN MYSORE, BANGALORE.

Notification.

It has been observed by the Government of India that certificates of inoculation against Cholera and vaccination against Small-pox which are issued by Medical Practitioners and Doctors in Government or Municipal Employ are often found to be defective in as much as the entries therein do not strictly conform to International requirements. Hence there has been a need to impress upon all the members of the Medical Profession that the certificates of inoculation against Cholera and vaccination certificates against Small-pox issued to passengers going abroad by Sea or Air should be in strict conformity to the International requirements. A copy of the Memorandum No. 25-7—49-P.H. II, dated 8th December 1949, with copies of enclosure thereto issued by the Ministry of Health, Government of India, are published herewith for the general information and strict guidance of the members of Medical Profession who may have to issue such certificates in future.

V. LAKSHMANA RAO PADKE,
2720 *Senior Surgeon.*

Copy of Memorandum No. 25-7—49-P.H. II, dated the 8th December 1949, with its enclosure, addressed to all the Administrative Medical Officers, from the Directorate-General of Health Services.

Subject :—Defective certificates of vaccination against Small-pox and inoculation against Cholera.

It has repeatedly been brought to the notice of this Directorate by our Port Health Officers that certificates of vaccination against Small-pox and inoculation against Cholera, which are issued by some of the doctors in Government or Municipal Employ, are often found to be defective in some respects, as the entries therein do not strictly conform to the International requirements as laid down by the International Sanitary Convention, 1944.

2 A few samples of the remarks offered by the Port Health Officers, who have to scrutinise the certificates, are given in the attached statement.

3 It is pointed out that :—

(*a*) In the case of the Small-pox certificate the following details should always be given.—

(i) the place and date of vaccination along with the signature, official position and office stamp of the vaccinator,

(ii) the signature in full and the home address of the person vaccinated (along with his age and sex),

(iii) the date and place of inspection and result of inspection, together with the signature, official position and office stamp of the doctor. (This inspection should be carried out by a doctor).

N.B.—A certificate will be considered as null and void if the result is indicated as "no reaction".

The result should be stated in one of following terms, *viz.*—

1 Reaction of immunity.
2 Accelerated reaction (vaccinoid).
3 Typical primary vaccinia.

The result of vaccination should be interpreted on the basis of the following explanations :—

1 Reaction of immunity.—A papule appears on the first day does not develop into a vesicle and rapidly fades away.

2 Accelerated reaction (vaccinoid).—A papule appears on the second day, a vesicle on the third, pustule (if present) on the fourth day scabbing starts on the fifth day and the scab if off by the eighth day.

3 Typical primary vaccinia.—A papule appears on the fourth day, becomes a vesicle on the fifth day and pustule on the eighth day. Scabbing starts on the eleventh day and scab is off between the sixteenth and the twenty-first day.

(*b*) In the case of the Cholera certificates, the following details should always be given :—

(i) Age and sex of the person inoculated.
(ii) Dates of inoculation of the two dozes.
(iii) Origin, batch No. and type of the vaccine used.
(iv) Signature, date, official title and office stamp of the doctor.
(v) Signature and home address of the person inoculated.

4 Laxity on the part of the Medical Officers completing the health certificates vitiates the value of such certificates, and may result in considerable inconvenience to Indian passengers at their destinations. It is, therefore, requested that instructions may kindly be issued to all the doctors in Government and Municipal Employ that they should strictly conform to the International requirements as stated above while issuing these certificates. (Specimen form enclosed).

5 It is requested that these instructions may be given the widest publicity through circular letters to all Medical Officers and through the medium of the Medical Press, Notifications through Medical Press may be repeated at frequent intervals.

Subject :—Anti-Cholera inoculation and Small-pox vaccination—Standard forms of certificates—Countersignature of the certificates.

I am directed to refer to the Department of Health, letter No. F. 8-11—46-P.H. (II), dated the 14th September 1946, regarding the use of the International forms of certificates of inoculations against Cholera and of Vaccination against Small-pox as prescribed in the International Sanitary Convention for Aerial Navigation, 1944. It is noticed that the existence of these forms is still almost unknown. A check of inoculation and vaccination certificates at various Sea and Air Ports in India, revealed that Indian passengers going abroad hardly ever carried certificates in the International forms. In the case of vaccination certificates even the result of inspection of the vaccination is not stated. As a result of many such irregularities considerable inconvenience is being repeatedly caused to Indian travellers on account of the non-recognition of their certificates of inoculation and vaccination by foreign countries.

2 Accordingly, it is requested, that the present unsatisfactory position may immediately be brought to the notice of the Medical profession and Association throughout your Province and the need for using the prescribed forms may be impressed as no other forms are now recognised by foreign countries.

Copy of letter No. F. 8-11—46-P.H. (II), dated 28th April 1948, from Government of India, Ministry of Health, to all Provincial Governments and Administrations (except Andamans).

Subject :—International certificates of vaccination and inoculation Adoption of:

I am directed to refer to this Ministry's letter dated the 12th December 1947, regarding the use of the International forms of certificates of inoculation against Cholera and of vaccination against Small-pox, as prescribed in the International Sanitary Convention, 1944, and the International Sanitary Convention for Aerial and Navigation, 1944. An extract from the report of the "Expert Committee Quarantine of the United Nations, World Health Organisation" is given below :—

> "It is in the interest of the traveller to present as trustworthy a certificate as possible. The Committee recommended that Health Authorities should accept as valid and consequently exempting the bearer from further revaccination and quarantine restrictions, the form of International certificates when completed by a Medical Officer in Government or Municipal Service or in a Government approved institution. The Committee recommends that certificates not so authenticated are not to be considered invalid, but may be accepted under the terms of Article 42 of the 1926 and 1944, International Sanitary Conventions by Health Authorities of the Port of Arrival".

From the above, it will be observed that although private Registered Medical Practitioners are not debarred from issuing International certificates, yet definite preference is given by International Health Authorities and also by Foreign Governments to these certificates, which have been issued by Medical Officers in Government or Municipal employment. The Government of India are aware of many instances where the Health Authorities of Foreign Countries do not pay much attention to certificates issued by Private Doctors, unless they are authenticated by Government or Municipal Medical Officers. Such authentication is impracticable as the counter-signing officials have little or no knowledge about the actual genuineness of the certificates presented for counter-signature. There is widespread tendency amongst Countries to be very strict in the matter of International Certificates of vaccination and inoculation, and to demand a guarantee that the certificates carried by a country's National are vouchsafed by that Country's Government in some manner. These requirements are, of course, not peculiar in respect of certificates from India, but are universally applicable to certificates from all countries.

3 I am therefore, to request that the Provincial Governments should take steps to provide comprehensive facilities to travellers from India going abroad to obtain all vaccinations and inoculations and the appropriate certificates, at Government or Municipal Controlled Institutions, and to make these facilities known to the public by giving them wide publicity.

Copy of letter No. F. 10-16—48-P.H. (II), dated 24th November 1948, from Government of India, Ministry of Health, to all Provincial Governments and Administrations.

Subject :—International requirements for health certificates.

In continuation of this Ministry's letter No. F. 8—11-46—P H. (II), dated the 28th April 1948, regarding adoption of International Certificates of vaccination and inoculation, I am directed to forward herewith :—

(1) extract paras 2-5 of this Ministry's memo No. F. 10-16—48-P.H. (II), dated the 18th June 1948;

(2) extract from the proceedings of an informal conference of administrative Medical Officers held on the 28th February 1948, in the Office of the Director-General of Health Services.

2 It is requested that —

(1) every efforts should be made to stop false certificates of vaccination and inoculation being issued ;

(2) as far as practicable all vaccinations and inoculations in respect of passengers going abroad, should be performed by Doctors in Government or Municipal employ who should issue the necessary certificates on the International forms and also place the stamp of their office in order to ensure authenticity.

3 There is no objection to the levying of a suitable fee from the passengers to cover the expenses incurred by Provincial Governments and Local Bodies in connection with the vaccinations and inoculations and the issue of International certificates, etc.

Copy of letter No. 8-11—46—P.H. (II), dated 14th September 1946, from Government of India, Ministry of Health, to all Provincial Governments and Administrations (except Andamans).

Subject :—Anti-cholera inoculation and Small-pox vaccination—Standard forms of certificates—Counter-signature of the certificates.

I am directed to refer to the correspondence ending with the late Education, Health and Lands Department letter No. F. 36-65—35-G., dated the 10th August 1938, and to say that the Government of India have decided to authorise all Deputy Directors of Health and any Medical Graduate appointed by the Government of Bombay for Hajj pilgrim duty at Bombay to issue Anti-Cholera inoculation and Small-pox vaccination certificates without counter-signature and to countersign such certificates issued by Registered Medical Practitioners.

2 The Government of India have also decided that the existing forms (prescribed in the late Education, Health and Lands Department letter No. F. 36-22—35-G., dated 31st December 1935), of certificates of Anti-cholera inoculations for issue to pilgrims proceeding to Hejaz and vaccination against Small-pox for all passengers embarking at Indian Ports for Ports beyond India including pilgrims proceeding to the Hejaz, shall be replaced, for the purposes of the Indian Port Health Rules and the Indian Aircraft (Public Health) Rules, by the standard forms prescribed in the International Sanitary Convention, 1944, and the International Sanitary Convention for Aerial and Navigation, 1944. Complete copies of these new forms together with the foot-notes appearing under the old forms which have been amplified to cover the decision mentioned in paragraph 1 above are enclosed for information. I am to request that these new forms may be adopted in place of the old forms.

3 It is requested that steps may be taken to give wide publicity to the amendments mentioned above, and to bring the forms now prescribed into use immediately.

To

All Treasury Officers.

Subject:—Schedules and List of Payments to be sent by the Treasuries.

No. 70—T.M. Reference is invited to Circular No. 5—T.M., dated 3rd April 1951 under which two copies of the schedules and list of payments have to be sent to this office. Some of the treasuries are not sending two copies of the schedules and list of payments as required therein. As especially in the case of Local Fund Heads like "Municipal Funds", "Muzrai Funds" etc., one of the schedules and list of payments has to be sent to the Controller of State Accounts after verification and one copy has to be filed in this Office, two copies of the schedules and lists of payments under all heads of accounts may invariably be arranged to be sent to this office in future.

2753

Circular dated 17th July 1951.

To

All Treasury Officers.

Sir,

Subject:—Noting of Major, Minor and Detailed heads of classification on bills presented at the Treasuries.

No. 71—T.M. A reference is invited to para 4 of this office Circular No. 5—T.M., dated 3rd April 1951, under which Treasury Officers have to keep a close watch over the noting of particulars of classification on chellans and vouchers. The vouchers received from some of the Treasuries show that this is not being done. In many cases, only the major head of account is shown on the vouchers without minor and deatiled heads. As a result of this, much time and labour is wasted in this office in compiling the accounts in this office. In future, bills, which do not bear the minor and detailed heads of accounts under which they are classifiable, should not be accepted for payment, at the Treasuries.

It is hereby notified for the information of the dealers in cloth that Notifications issued modifying the Notification No. T. 2138, dated 30th May 1950, up-to-date are hereby cancelled, and the following revised modification to the above Notification dated 30th May 1950, is issued for guidance of the dealers.

With effect from the date of this Notification in areas where the retailers are attached to the wholesale dealers, the wholesale dealers have to sell local mill cloth to the retailers attached to them *equally both in quantity and variety.* They should give due intimation to the attached retailers under certificate of posting, immediately on receipt of goods indicating the quantity to be offered to each of the attached retailers. In case the retailers fail to lift the goods so offered within seven days from the date of such intimation, the wholesale dealers concerned may treat the quotas as lapsed, and they are free to sell to the retailers within the taluk or area to which they are attached at not exceeding 500 yards under free sale to a retailer. In other words an attached retailer may purcase the regular quota due to him from the wholesale dealer to whom he is attached and purchase further 500 yards of local mill goods from one or many wholesale dealers attached to the same area under free sale. Under no circumstances, shall local mill goods be sold to any retailer beyond the taluk, or the area to which the wholesale dealer is attached.

In the case of Bombay, Ahmedabad, Sholapur and other outside mill goods, due intimation should be sent to the attached retailers about the quantity of the goods to be offered, immediately on receipt of such goods and in case the retailers do not lift the goods within seven days from the date of such intimation, the wholesale dealers are free to treat the quotas as lapsed and they may sell to any retailer within Mysore State at not more than 1,500 yards to each. In effect, a retailer attached to a wholesale dealer is entitled to purchase the quantity of Bomabay, Ahmedabad, Sholapur and other outside mill goods admissible to him in regular quota and purchase a further quantity of 1,500 yards of Bombay and Ahmedabad goods from one or many wholesale dealers during a month under free sale.

In areas where the retail dealers are not attached to wholesale dealers, the wholesale dealers should sell local mill goods to the retailers in the taluk or area to which they are attached not exceeding 500 yards to a retailer, during a month. All varieties in stock should be sold equitably to the retailers without discrimination. In other words a retailer in such cases can only purchase 500 yards in the aggregate from one or many wholesale dealers attached to the area. Local mill goods should not be sold to a retailer beyond the taluk or the area to which a wholesale dealer is attached.

With regard to Bombay, Ahmedabad, Sholapur and other mill goods allotted to wholeseale dealers to whom the retailers are not attached, the wholesalers should sell the goods to the retailers of the area to which they are attached at not exceeding 1,500 yards to a retailer. In case the retailers fail to lift such quota within *ten days from the date of receipt of the goods* from the nominees the wholesale dealers are free to treat the quotas as lapsed and they are permitted to sell to any retailer within Mysore State within the quantitative limit of 1,500 yards allowed to a retailer to purchase Bombay, Ahmedabad, Sholapur and other outside mill goods, from one or more wholesale dealers during a month under free sale. In effect, a retailer who is not attached to a wholesale dealer is entitled to purchases upto 1,500 yards under regular quota and further 1,500 yards under free sale from one or many wholesale dealers during a month.

Fents and Seconds of Bombay, Ahmedabad, Sholapur and other outside mill goods as well as local mill goods *should only be sold to Readymade Dress Manufacturers.* The wholesale dealers attached to the Taluks and District Headquarters should declare all Fents and Seconds to the Deputy Commissioners of the Districts concerned and sell as per permits to be issued by the Deputy Commissioners in favour of the Readymade Dressers of the concerned areas. wholesale dealers attached to Bangalore Corporation should sell Bombay, Ahmedabad Fents and Seconds to the Readymade Dress Manufacturers in Bangalore Corporation only at not exceeding one bale to a Readymade Dress Manufacturer during a month.

Sound goods (Local or Bombay and Ahmedabad Mills) should not be sold under any circumstances to Readymade Dress Manufacturers, while selling regular or lapsed quotas.

Sales of cloth—Local or Bombay, Ahmedabad, Sholapur and other mill goods should be noted invariably in the quota forms of retailers. In the case of sales of local mill goods and Bombay and Ahmedabad Mill goods towards regular quota, they should note in the quota forms as "Regular Quota" and where sales are effected under free sale, it should be cleary noted as "Free Sale", on the quota forms concerned.

Violation of instructions regarding the limit of area of sale, quantitative restriction under allotment or under free sale or omission to note sales in the quota forms will entail cancellation of licenses and quotas of the dealers concerned without prejudice to the action that may be taken under Cotton Textile Control Order, 1948.

OFFICE OF THE ACCOUNTANT-GENERAL FOR MYSORE, BANGALORE.

Circular dated 10th July 1951.

To

All Treasury Officers.

Subject :—Schedules and List of Payments to be sent by the Treasuries.

No. 70—T.M. Reference is invited to Circular No. 5—T.M., dated 3rd April 1951 under which two copies of the schedules and list of payments have to be sent to this office. Some of the treasuries are not sending two copies of the schedules and list of payments as required therein. As especially in the case of Local Fund Heads like "Municipal Funds", "Muzrai Funds" etc., one of the schedules and list of payments has to be sent to the Controller of State Accounts after verification and one copy has to be filed in this Office, two copies of the schedules and lists of payments under all heads of accounts may invariably be arranged to be sent to this office in future.

2753

Circular dated 17th July 1951.

To

Sir,

Subject :—Noting of Major, Minor and Detailed heads of classification on bills presented at the Treasuries.

No. 71—T.M. A reference is invited to para 4 of this office Circular No. 5—T.M., dated 3rd April 1951, under which Treasury Officers have to keep a close watch over the noting of particulars of classification on chellans and vouchers. The vouchers received from some of the Treasuries show that this is not being done. In many cases, only the major head of account is shown on the vouchers without minor and deatiled heads. As a result of this, much time and labour is wasted in this office in compiling the accounts in this office. In future, bills, which do not bear the minor and detailed heads of accounts under which they are classifiable, should not be accepted for payment, at the Treasuries.

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Circular dated 17th July 1951.

To

All Treasury Officers.

Sir,

Subject:—Noting of Major, Minor and Detailed heads of classification on bills presented at the Treasuries.

No. 71—T.M. A reference is invited to para 4 of this office Circular No. 5—T.M., dated 3rd April 1951, under which Treasury Officers have to keep a close watch over the noting of particulars of classification on chellans and vouchers. The vouchers received from some of the Treasuries show that this is not being done. In many cases, only the major head of account is shown on the vouchers without minor and deatiled heads. As a result of this, much time and labour is wasted in this office in compiling the accounts in this office. In future, bills, which do not bear the minor and detailed heads of accounts under which they are classifiable, should not be accepted for payment, at the Treasuries.

OFFICE OF THE SENIOR SURGEON IN MYSORE, BANGALORE.

Notification dated 10th August 1951.

Subject:—International health requirements for Haj Pilgrims.

A copy of Memorandum No. 26-3—51-P. H. III, dated 30th July 1951, issued by the Directorate-General of Health Services, New Delhi on the above subject, is republished for the general information and guidance of the members of the profession.

V. LAKSHMANA RAO PADKE,
Senior Surgeon.

3328

Copy of Memorandum No. 26-3—51-P. H. III, dated 30th July 1951 of the Directorate-General of Health Services, New Delhi to all Administrative Medical Officers and Directors of Public Health.

Subject:—International health requirements for Haj Pilgrims.

Reference this Directorate endorsement No. 26-3—51 P. H. III, dated the 10th May 1951, forwarding a copy of a Press Note on the subject mentioned above.

It has been brought to the notice of the Directorate that incomplete and defective certificates of inoculation against cholera and vaccination against small-pox are being issued, to pilgrims by our medical practitioners. It need hardly be emphasized that issue of such certificates causes much inconvenience to the Hedjaz pilgrims as they are not allowed by our Port Health Officers or Air Port Health Officers to board a ship or aeroplane unless they are in possession of valid health certificates on the prescribed international forms. It is therefore requested that the Press Note may kindly be given wide publicity in the State and brought to the notice of registered medical practitioners laying particular stress on the following points.

Cholera Inoculation Certificate:—This certificate should be issued on the prescribed international form *only* and should indicate the source and potency of the vaccine used. Inoculation should be done in doses as stated below:—

First dose of 0·5 c.c. (½ c.c.) of recognised potency. Second dose of 1 c.c.

The second dose should be given after an interval of 7 to 10 days from the date of the first dose. No variation should be made in the period of this interval. The certificate will be considered valid if it is not more than six months and not less than 7 days old on the date of embarkation. The period of 7 days is to be computed from the date of the second injection. Separate entries in respect of the two injections (with dates) should be made in the certificate by the inoculating officer.

The certificate should be signed by Government or Municipal Medical Officer and should give below his signature, his official designation and the stamp of his office. If the certificate is issued by a private registered medical practitioner he should give his signature, his medical qualifications, and medical registration number; such a certificate must then be countersigned by a medical officer in Government or Municipal employ with seal of his office.

Cholera inoculation certificate should in no case be issued by unqualified and unregistered medical practitioners, sanitary inspectors, compounders, etc. Their certificates are not accepted even if they are countersigned by Government or Municipal medical officers.

Small-pox vaccination certificate:—This certificate should also be on the prescribed international form *only* and should be issued by a Government or Municipal Medical Officer who should give his signature, his official designation and the stamp of his office in the certificate. If it is issued by a private registered medical practitioner, he should also give his signature, his medical qualifications and medical registration number. This certificate should then be countersigned by a Government or Municipal Medical Officer. Certificates issued by unqualified and unregistered medical practitioners, sanitary inspectors, etc., are not accepted even they are countersigned by a Government or Municipal Medical Officer.

Small-pox vaccination should be carefully done in the following manner. After the vaccination the result should be checked twice—once after 24 to 48 hours, *i.e.*, three days from the time of vaccination and then on the 7th day. The dates of the two inspections and the results noted on each occasion should be clearly shown in the certificate by the vaccinating officer who should then sign the certificate giving his designation, etc., as stated above.

The minimum and maximum period of validity of Small-pox vaccination certificates are as follows:—

Minimum—14 days from the date of vaccination.
Maximum—3 years.

The action taken in the matter may kindly be intimated to this Directorate.

OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification, dated 6th August 1951.

Subject:—Import of seed potatoes from Rangoon and Simla.

No. H. C. 44—51-52. It has been observed by the Central Government that the State Importers who have been permitted to import seed potatoes either Simla or Rangoon Variety are not importing the whole quota for which they obtain permits. Thus it is seen that they are not keen in obtaining the quantities sanctioned in each case. If the quota allotted to the State is not completely utilised, it not only deprives other importers who would import the seed potatoes from the same source, but also results in an over-all reduction of area under potatoes in the country. It is therefore necessary to know this year definitely as to the exact quantity and the variety of seed potatoes to be imported.

Those who are desirous of importing either Simla or Rangoon seed potatoes may send their applications in the prescribed form noted below* to the Director of Agriculture not later than 20th August 1951 stating the exact quantity and the variety of seed potatoes that they want to import for distribution to raiyats, so that it may be possible to intimate the Government of India as to the exact requirements of the State and the quota obtained in time in order to avoid disappointment.

It may also be noted that intending importers should be prepared to execute an agreement and should abide by the rules and conditions framed for the purpose.

Any additional information required can be had from the Office of the Director of Agriculture in Mysore, Seshadri Road, Bangalore.

OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification, dated 6th August 1951.

Subject :—Import of seed potatoes from Rangoon and Simla.

No. H. C. 44—51-52. It has been observed by the Central Government that the State Importers who have been permitted to import seed potatoes either Simla or Rangoon Variety are not importing the whole quota for which they obtain permits. Thus it is seen that they are not keen in obtaining the quantities sanctioned in each case. If the quota allotted to the State is not completely utilised, it not only deprives other importers who would import the seed potatoes from the same source, but also results in an over-all reduction of area under potatoes in the country. It is therefore necessary to know this year definitely as to the exact quantity and the variety of seed potatoes to be imported.

Those who are desirous of importing either Simla or Rangoon seed potatoes may send their applications in the prescribed form noted below* to the Director of Agriculture not later than 31st August 1951 stating the exact quantity and the variety of seed potatoes that they want to import for distribution to raiyats, so that it may be possible to intimate the Government of India as to the exact requirements of the State and the quota obtained in time in order to avoid disappointment.

It may also be noted that intending importers should be prepared to execute an agreement and should abide by the rules and conditions framed for the purpose.

Any additional information required can be had from the Office of the Director of Agriculture in Mysore, Seshadri Road, Bangalore.

MYSORE PUBLIC EXAMINATIONS.

Notification No. D. 41 L. E. 57—51-52, dated 9th August 1951.

Statement showing the latest dates for sending in applications for the several Public Examinations of 1952, appended hereto is notified for general information. Special attention is invited to the following points :—

1 Applications for admission to the examinations should be submitted on printed forms which will be supplied on application to the Secretary, Secondary Education Board, New Public Offices, Bangalore, after the 15th September 1951. All requisitions for forms should reach the Secretary, *at least a fortnight before* the latest date prescribed for sending in applications for admission to the examinations. **The requisitions from Private candidates for the supply of forms of applications for admission to the several Public Examinations of 1952 should be accompanied by a self-addressed and sufficiently stamped envelope. Requisitions not accompanied by self-addressed Postal Envelope will not be complied with.** Mere stamps without the self-addressed envelope will not be accepted. The Secretary will not be responsible for non-receipt of forms owing to the requisitions being sent too late or to miscarriage of letters in post, the address being incorrect or incomplete and such other reasons.

2 (*a*) Fees as shown in column No. 2 of the statement against the particular examination to which the candidates seek admission, should be credited into a Mysore Government Treasury in time for sending in the applications by **Registered Post** so as to reach the Secretary, Secondary Education Board, on or before the date mentioned in column 1 after which date *no applications will be received for that particular examination.*

(*b*) Candidates belonging to the Depressed Classes *viz.*, Adikarnataka, Adidravida, Koracha, Korama, Lambani, Mochi, Pinjari, Sillekyata, Boyi, Animists and Hill Tribes are exempted from payment of admission fees or the several Public Examinations of 1952.

NOTE.—Late applications for admission to the several Public Examinations conducted by the Department will be entertained up to 15 (fifteen) days from the dates prescribed for submitting applications for the several examinations on payment of a penal fee of Rupee one in respect of each such application. The amount should be credited to a Government Treasury and the receipt obtained thereof sent along with the application form. No application will be entertained under any circumstances 15 days after the date fixed.

3 *Fee sent in cash or in any form will not be accepted.* Candidates living outside the State should make their own arrangements for paying application fees for the examination into a Mysore Government Treasury and send the printed application form with the Treasury receipt and seal thereon on or before the specified date.

4 All columns in the form of application should be carefully and accurately filled in. The enclosures mentioned in column No. 3 in the statement should invariably be attached to the application for admission to the examination. Applications found *defective in any respect* will be rejected and returned to the party and *request for refund of fees on the ground that the applications were rejected will not be entertained.*

5 The printed column in the application form for non-attendance certificate in the case of private candidates for S.S.L.C., Middle School and Upper Primary Examinations of 1952 should be filled in before the form of application is sent to the Secretary, Secondary Education Board. The officers who sign the certificates of non-attendance are requested to satisfy themselves that the candidate is a *bona fide* private candidate and they should ensure themselves that no scope for irregularity of any kind is allowed in this respect.

6 (*i*) Applications for transfer of centres, if any, in respect of the Middle School or Upper Primary Examination, should ordinarily reach the Secretary, Secondary Education Board, New Public Offices, Bangalore, on or before the 31st January preceding the examination, with sufficient and valid reasons.

(*ii*) A fee of Re. 1 will be levied in respect of each such application submitted for good reasons, between the 1st and 10th February preceding the examination. Each application for change of centre submitted during this period should be accompanied by a treasury receipt for Re. 1. No change of centre will be granted *under any circumstances after the 10th February preceding the Examination.*

(*iii*) Applications for change of centres in the case of school candidates should be submitted through the Heads of Middle or Upper Primary Schools and in the case of private candidates through their parents or guardians.

(*vi*) Applications for a change of centre should contain information on the points noted below :—

(1) The centre originally selected by the candidate.

(2) The centre to which his name is required to be transferred.

(3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary Examination or for any other Examination.

(4) Reasons urged for the transfer supported by the parent or guardian of the pupil.

NOTE.—(1) The Secretary, Secondary Education Board, Bangalore, may refuse to change the centre of examination if proper reasons in support of the change asked for are not furnished.

(2) The fee paid for change of centre will neither be refunded nor reserved for a subsequent examination, if the change has been refused for want of proper reasons in support of the change asked for.

7. The fees once paid into the Treasury for admission to any Public Examination shall, on no account, be refunded but may be reserved for the very next examination only if the candidate was unable to sit for the examination on account of illness. This should be supported by a Medical Certificate from a Registered Medical Practitioner provided the application for such reservation reaches the Secretary, Secondary Education Board, Bangalore, before the commencement of the Examination for which the fees have been paid.

8. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1952 are requested to send the applications arranged according to the instructions given in the statement sent along with the application forms.

9. A consolidated list of candidates, who are deficient in attendance calculated up to the end of February 1952, should be sent in the prescribed form, which will be supplied along with the application forms so as to reach the Secretary, Secondary Education Board, Bangalore, *not later than the* 5th March 1952. The attention of the Heads of Institutions is invited to Director of Public Instruction's Circular No. 1 of 1940-41—Edn. 64-3 of 1940-41, dated 11th July 1940, laying down rules regarding the Cases to be recommended for exemption.

10. It is of utmost importance that the Heads of Schools should not only advise the candidates to give their correct date of birth, *i.e.*, day, month and year, but also reconcile the dates given in the application form with those entered in the Admission Register of the School. *The candidates should be made to give only the father's name (whether living or not) and not the guardian's name.*

11. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature:—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year in the form of application *as entered in the form of application for admission to the School and in Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only the father's name (whether living or not)* in the form of application and not the guardian's name.

(*b*) The Heads of Institutions should satisfy themselves that the entries in the S.S.L.C. card correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the admission register of the school.

(*c*) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, *i.e.*, firstly according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the application forms and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous year should be separated from others and arranged in the same manner as stated above.

(*d*) The Heads of High Schools should also furnish a separate certificate to the effect that all the entries in the form of application and the S.S.L.C. card agree with those made in the admission register of the schools.

(*e*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" certificates the several second languages and optional subjects offered by them should accompany the applications for candidature.

12. The admission tickets of candidates who appear for the several Examinations of 1952 by *Private study* will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the address intimated after the applications are sent in* and it will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy or change of the postal addresses furnished by them.

13. Applications for the Teachers' Certificate Examination—Higher Grade—(Theory) from private candidates will not be accepted unless they had appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years service or more and who had no chance of being deputed for training by the department will be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examinations provided that applications for admission to the examination are accompanied by certificates issued by the Inspecting Officer in direct charge of the school to the effect that the teacher possesses the minimum general educational qualification prescribed therefor, that he has put in five years approved service in a recognised school, that he is fit to take the examination by private study.

14. The admission of candidates to the Vernacular Teachers' Certificate Examination—Lower Grade-(New Rules) by private study is regulated as hereunder:—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two years' course) under the old rules and failed therein.

(2) Persons who had sat for the Upper Secondary Examination under the old rules and failed in one or both the groups.

(3) Persons who had sat for the V. T. C. Second Examination according to the old rules and failed therein may appear for Group II of the Examination by private study.

(*b*) *Second Examination—(Under the old Rules)*:—

(1) Persons who have passed the Upper Secondary or S.S.L.C. Examination.

(2) Persons who had appeared for the First Examination by private study and passed therein.

15. It should be clearly understood that the provisions in this notification do not in any sense supersede the detailed notifications relating to the several examinations and that the provisions in the detailed notifications should be fully satisfied before any candidate is registered for the examination to which he seeks admission.

Circular, dated 18th August 1951.

To

The Deputy Commissioners, Treasury Department, All Districts.

The Taluk Treasury Officers.

Sir,

Subject :—*Changes in Treasury Procedure—(i) Inclusion of Taluk Treasury Transactions of 26th and onwards in the District Treasury Accounts of the following Month except in March, and (ii) Incorporation of Taluk Treasury Transactions in the Accounts of the District Treasury Daily.*

No.6—T.M. Under the existing procedure, the transactions of Taluk Treasuries of the State from the 1st to the last working day of each month get incorporated in the District Treasury Accounts for the same month. This,

however, leads to considerable delay in the submission of the District Accounts to this office owing to the time taken by the Taluk Treasuries to send their II lists of payments and the monthly cash account to the District Treasury. To obviate this delay, the Government of Mysore have in their Order No. Fl. 2501-4 G.F. 28-51-5, dated 27th July 1951, approved the proposal of this office to get the Taluk Treasury transactions after the 25th of each month incorporated in the District Accounts in the following month except in March. Even then some delay is inevitable as long as District Treasuries depend as they do now, on the Taluk lists of payments and the taluk monthly cash Accounts for the submission of their accounts to this office. To remedy this, the Government have been informed in this office letter No. 20 (B) T.M. dated 9th August 1951, that the procedure of incorporating Taluk Treasury transactions in the accounts of the District Treasury daily as prescribed by the Comptroller and Auditor-General of India and followed in Part A States, would be introduced in the State treasuries also with immediate effect. This procedure is however proposed to be brought into force from 1st October 1951, *i.e.*, commencing with the Taluk Treasury transactions of 25th September 1951 and onwards. Agreeably to these arrangements, the following instructions are issued for the guidance of District and Taluk Treasuries in the State :—

(*a*) Special procedure to be followed for August and September 1951 only.

(*i*) The Taluk Treasury monthly account for August 1951 will comprise transactions from 1st to 25th of the month only and be despatched so as to reach the District Treasury before the 31st of August. The Account for September 1951 which will include transactions from 26th August to 25th September will also be despatched so as to reach the District Treasury before the end of the month. Copies of Taluk Treasury subsidiary registers will accompany the accounts of these two months, as usual.

(*ii*) Consequential changes in the lists of payments for August and September 1951 due from Taluk Treasuries are indicated below :—

II Lists of payments for August and September 1951 will include payments from 9th to 25th of the month concerned and be despatched to the District Treasury *immediately* thereafter accompanied by the relevant vouchers.

I List of payments for September 1951 will cover payments from 26th August to 8th September 1951 and be despatched to the District Treasury on the 8th itself with the concerned vouchers as prescribed in this office Circular No. 26-T.M. dated 17th April 1951.

(*iii*) These accounts and lists of payments will be consolidated in the District Treasury as heretofore.

(*b*) Procedure to be followed from October 1951, *i.e.*, commencing with the Taluk Treasury transactions from 26th September 1951.

(*i*) With effect from 26th September 1951, the Taluk Treasuries will render to the District Treasury daily an account showing the receipts, disbursements and balance, in the following form (separately for Central and State transactions) in lieu of the daily cash account in Form 81, M.C.A.C. Volume II :—

Daily sheet of..... .....Taluk Treasury for.... ..... 19..... .

RECEIPTS

No.	Details of Receipts (Major Heads).	Amount	No. of chellans enclosed.

DISBURSEMENTS

No.	Nature of Payments (Major Heads).	Amount	No. of vouchers enclosed.

ABSTRACT

* Opening Balance	...	.....	.....
Receipt of the day.			
* Total Payment of the Day	...	.....	.....
* Closing Balance ...	...	.....	.....
* Details of Balance ...	...	.....	.....

* These entries will not appear in the Central Daily Sheet.

Note.—Taluk Treasuries need not render any monthly account or lists of payments to the District Treasury from October 1951, *i.e.*, in respect of transactions on and after 26th September 1951.

(*ii*) The daily sheets which will be supported by the relevant chellans and vouchers should be despatched invariably by the next mail by Registered Post. Copies of subsidiary registers/lists of payments need not be prepared at Taluk Treasuries on and after 26th September 1951 except when specifically required by the Deputy Commissioner for the use of administrative departments. Printed forms of the Daily Sheets will be supplied to the District Treasuries for distribution in due course.

(*iii*) The District Treasuries should watch the punctual receipt of Taluk Daily Sheets. The transactions included in these sheets should *on the day of receipt* be posted, *after the necessary scrutiny* into the subsidiary registers of the District Treasury as if the transactions had taken place at the District Treasury itself. The transactions relating to remittances of cash to and from a Taluk Treasury from and to another Taluk Treasury within the District or the District Treasury included in the Taluk Daily Sheets should however be excluded from the accounts of the District Treasury as such amounts will form part of the District balance.

Note :—As a partial exception to this rule, the daily sheets from 26th to end of the month of other than March will invariably be incorporated in the District Treasury Registers in the following month. But the daily sheets of 26th to 31st March will all be incorporated in March itself regardless of the dates of receipt at the District Treasury.

(*iv*) The transactions of the Central Government should be reported in separate daily sheets as at present. The receipts and disbursements covered by such sheets should as in the case of State transactions, be entered item by item in the appropriate Central subsidiary registers of the District Treasury.

(v) Two extra columns will be provided in the subsidiary registers of the District Treasury—one to indicate the date of Taluk Treasury Daily Sheet and the other to furnish the daily total of each Taluk Treasury. The entries in these columns will help to distinguish the taluk transactions from those taking place at the District Treasury itself.

(vi) The total of each Taluk Treasury for the day worked out in the subsidiary registers at the District Treasury as above should be agreed with the corresponding figures appearing in the Taluk Daily Sheets. For the purpose of agreement of the Head Accountant's Cash Book with that of the Treasurer at the close of the day, the totals of taluk transactions posted from the daily sheets should be deducted along with the daily totals of transfer transactions of the District Treasury.

(vii) The lists of payments and the monthly account of receipts and disbursements due to this office should be compiled from the subsidiary registers of the District Treasury itself and forwarded to this office strictly on or before the due dates supported by copies of subsidiary registers, chellans, vouchers, *plus* and *minus* memoranda, etc., as prescribed.

2. It would be clear from the procedure outlined above that Taluk Treasury transactions appear in the District Accounts on the date on which they are actually incorporated in the District Treasury registers regardless of the date of transaction. It follows, therefore, that if a daily sheet the transactions of which are to be included in the lists of payments or the monthly account of a particular period is received too late for such inclusion, the transactions can appear only in the account of the period in which the same are incorporated in the District Treasury. But this will not apply to the Taluk Daily Sheets of March which should all be incorporated in the District Accounts in the same month. For this purpose, the Taluk Daily

Sheets of the last few days of March received after the end of the month will be posted in the District Subsidiary Registers for March under a new date "31st March (Supplemental)" and the totals thereof passed into the Head Accountant's Cash Book for March in a separate money column, for the purpose of agreement.

3. Deposits made at Taluk Treasuries should be brought item by item through the daily sheets upon the District Deposit Registers and must be numbered in the general series. It will however be sufficient to enter taluk daily totals only in respect of personal deposits, Savings Bank Deposits, Municipal Funds, Village Panchayet Funds, etc., provided such an arrangement does not stand in the way of compilation independently, by the District Tresury, of accounts due to this office. The class of transactions to which this arrangement may be applied may be reported immediately to this office for consideration and approval. Till the approval of this office is received the taluk transactions should be incorporated in the District Registers in detail.

4. The new procedure is not expected to throw much additional work on the District Treasuries as the process of incorporation of taluk transactions can be got done before or after treasury transactions and during the intervals that usually occur between transactions and by distributing the work among the several clerks that deal with corresponding items of work in the District Treasury. Some saving in the District Treasury work has also accrued or will accrue as indicated below :—

(i) By the simplification in the maintenance of Central Accounts introduced with effect from 1st April 1951 ;

(ii) By the elimination of correspondence after the new procedure comes into force between taluk and District Treasuries in respect of the submission of lists of payments, monthly cash accounts revenue statistics, etc., and discrepencies therein ;

(iii) By the discontinuance of the maintenance of the Taluk Subsidiary Registers (State) in form 80 and the Taluk Central Posting Registers, necessitated by the new procedure ;

(iv) By the introduction of pre-audit cheque system in respect of the claims of the Education and Food Departments payable in Bangalore with effect from 1st April 1951 ;

(v) By the discontinuance of the system of entering amounts in words and figures in the Treasury Pay Orders on Cheques, R.T.Rs, Pass Orders, etc.

5. Any doubts or difficulties in actual working may be referred to this office for clarification.

6. The receipt of this circular may kindly be acknowledged by return post.

S. GUPTA,
Accountant-General.

B. S. PUTTASWAMY, *Commissioner of Labour.*

OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "UNITED INDIA" BUILDING, BANGALORE.

Circular dated 21st August 1951.

The following O.M. No. P. 1-4 (20), dated 3rd August 1950, from the Government of India, Ministry of Works, Production and Supply, New Delhi, is published for information of all the Indenting Officers with a request that the procedure specified therein, may be followed in the matter of placing indents.

N. LAKSHMAN RAU,
Secy., S.P.C.

3589

Letter No. P. 1-4 (20), dated 3rd August 1951, from the Deputy Secretary to the Government of India, Ministry of Works, Production and Supply, New Delhi to all Part A, Part B and Part C States, etc.

Office Memorandum.

Subject :—Indents—Delivery dates and *urgency*.

In supersession of all previous instructions issued on the above subject, the Government of India have decided that the following instructions will govern the marking of delivery dates and urgency by the indentors in respect of the indents placed by them on the Purchase Organisations of the Ministry of Works, Production and Supply.

2. It is fundamental that indentors should clearly indicate in their indents the definite dates on and the places at which the stores required should be delivered or despatched. Without this information, appropriate supply action becomes difficult. In this connection, Indentors, should note that manufacturing capacity in respect of certain items is at present heavily booked on account of various factors. Indentors should, therefore, allow reasonable time to Purchase Organisations of this Ministry for procurement of the stores demanded. The general rule that the shorter the delivery period the higher the price should not be overlooked.

The use of such terms as—

"IMMEDIATE"
"AS EARLY AS POSSIBLE"
"URGENTLY REQUIRED"
"PRIORITY"

as substitutes for the actual delivery dates should be avoided. These terms are liable to differing interpretations by Indentors and Procurement Officers and invariably give rise to confusion and delay in supply. Delivery dates should always be indicated in *red ink* in the following manner :—

(*a*) By.....(date)
(This indicates that the whole quantity is required by the stated date. It can be used for small or large quantities).

(*b*) .....(quantity) by..... .....(date) reminder from..... (month).....to.....(month).
(This indicates that 'so much' is required by a particular date and the balance is required by monthly quotas).

(*c*) From..... ..(month) to .....(month).
(This suggests that equal monthly quotas may be delivered as appropriate).

Delivery dates which are obviously impossible should not be given.

4. When stores are required to be delivered at different places, the above method of indicating delivery dates should be followed in respect of each destination, separately.

5. In addition to stating in the indent the actual delivery dates required, urgent indents should be marked in accordance with the instructions given in the subsequent paragraphs and in no other manner. If this is not done, delivery may be delayed, as such indents are liable to be dealt with, as a matter of routine, along with the large number of other indents received daily by the Purchase Organisations.

6. Urgency should be indicated by marking indents (i) "OPERATIONAL" and (ii) "URGENT". Indents

should be marked "OPERATIONAL" only when the stores are most urgently required for use on the front or in connection with riots, civil commotions and such like purposes. The term "URGENT" may be marked on indents for stores, which, if not supplied immediately within the stipulated date, will result in a break down of essential services or will cause great inconvenience or loss to the State. Against such indents urgency will be determined by the date specified in the indents for completion of supplies. This marking should be used for all Ad-hoc demands and demands placed in the normal course of provisioning. These markings are an indication of relative degree of urgency attached by the indentor *to his own requirements*, and do not give the indents so marked priority over indents of other indentors. Indentors should realise that the indiscriminate use of urgency markings by them will result in lowering the value of their own markings.

The practice of marking indents for urgent demands of Railway Indentors 'Ad-hoc' should continue.

With a view to ensuring that "OPERATIONAL" and "URGENT" indents are properly so marked, such indents should be countersigned by a restricted number of authorities, whose names should be notified to the Ministry of Works, Production and Supply by various Ministries of the Central Government/State Governments. The indents should be preferably countersigned by the Secretary/Joint Secretary or Head of a Department, who will furnish a certificate in the attached form.

7. Immediately on receipt of an indent, it shall be the duty of the Supply Officer to intimate to the indentor the probable date of the supply of the stores, if he thinks from his experience or from the fact that the capacity is already booked, that supply of the Stores within the Indentor's delivery period is not possible.

8. The "OPERATIONAL" demands will have utmost priority over all other indents from whatever sources received. In the case of difficult stores, where capacity is heavily booked or sources of supply are limited, priorities or supply amongst various indentors of the same or different departments will be decided on the merits of each case by the Ministry of Works, Production and Supply in consultation with the Ministries/Heads of the Departments concerned, wherever considered necessary.

9. The importance of obviating delays in complying with the Defence Services requirements falling in the category of "OPTIONAL" and "URGENT" demands, cannot be over-emphasised. All such demands should, on receipt in the Directorate-General, Supplies and Disposals or in the Regional Offices, be immediately brought to the personal notice of the D.D.G. (S)/Head of the Office in case of Regional Offices, who will give necessary instructions for their disposal. Thereafter the demands, as far as possible, should be dealt with by the Directors of Supplies themselves. It is also essential that Acceptances of Tender against "OPTIONAL" and "URGENT" indents should be issued as early as possible and that weekly reports of progress made in each case should be sent to the indentor concerned.

The D.D.G.(S) will also see these weekly reports and take such action as is necessary to ensure that supplies are not delayed.

10. In the case of "OPTIONAL" demands from Defence Services necessitating security measurers being applied to all the processes of supply, a specially coloured form with the superscription "TOP SECRET", URGENT OPERATIONAL DEMAND" will be used. The "TOP SECRET" form will be used only when this is absolutely necessary from a security point of view.

Circular dated 18th August 1951.

To

The Deputy Commissioners, Treasury Department, All Districts.

The Taluk Treasury Officers.

Sir,

Subject :—*Changes in Treasury Procedure—(i) Inclusion of Taluk Treasury Transactions of 26th and onwards in the District Treasury Accounts of the following Month except in March, and (ii) Incorporation of Taluk Treasury Transactions in the Accounts of the District Treasury Daily.*

No.6—T.M. Under the existing procedure, the transactions of Taluk Treasuries of the State from the 1st to the last working day of each month get incorporated in the District Treasury Accounts for the same month. This, however, leads to considerable delay in the submission of the District Accounts to this office owing to the time taken by the Taluk Treasuries to send their II lists of payments and the monthly cash account to the District Treasury. To obviate this delay, the Government of Mysore have in their Order No. Fl. 250 1-4 G.F. 28-51-5, dated 27th July 1951, approved the proposal of this office to get the Taluk Treasury transactions after the 25th of each month incorporated in the District Accounts in the following month except in March. Even then some delay is inevitable as long as District Treasuries depend as they do now, on the Taluk lists of payments and the taluk monthly cash Accounts for the submission of their accounts to this office. To remedy this, the Government have been informed in this office letter No. 20 (B) T.M. dated 9th August 1951, that the procedure of incorporating Taluk Treasury transactions in the accounts of the District Treasury daily as prescribed by the Comptroller and Auditor-General of India and followed in Part A States, would be introduced in the State treasuries also with immediate effect. This procedure is however proposed to be brought into force from 1st October 1951, *i.e.*, commencing with the Taluk Treasury transactions of 26th September 1951 and onwards. Agreeably to these arrangements, the following instructions are issued for the guidance of District and Taluk Treasuries in the State :—

(*a*) Special procedure to be followed for August and September 1951 only.

(*i*) The Taluk Treasury monthly account for August 1951 will comprise transactions from 1st to 25th of the month only and be despatched so as to reach the District Treasury before the 31st of August. The Account for September 1951 which will include transactions from 26th August to 25th September will also be despatched so as to reach the District Treasury before the end of the month. Copies of Taluk Treasury subsidiary registers will accompany the accounts of these two months, as usual.

(*ii*) Consequential changes in the lists of payments for August and September 1951 due from Taluk Treasuries are indicated below :—

II Lists of payments for August and September 1951 will include payments from 9th to 25th of the month. concerned and be despatched to the District Treasury *immediately* thereafter accompanied by the relevant vouchers.

I List of payments for September 1951 will cover payments from 26th August to 8th September 1951 and be despatched to the District Treasury on the 8th itself with the concerned vouchers as prescribed in this office Circular No. 26—T.M. dated 17th April 1951.

(*iii*) These accounts and lists of payments will be consolidated in the District Treasury as heretofore.

(*b*) Procedure to be followed from October 1951, *i.e.*, commencing with the Taluk Treasury transactions from 26th September 1951.

(*i*) With effect from 26th September 1951, the Taluk Treasuries will render to the District Treasury daily an account showing the receipts, disbursements and balance, in the following form (separately for Central and State transactions) in lieu of the daily cash account in Form 81, M.C.A.C. Volume II :—

ABSTRACT

* Opening Balance	...	.....	.....
Receipt of the day.			
* Total Payment of the Day	...	.....	.....
* Closing Balance ...	...	.....	.....
* Details of Balance ...	...	.....	.....

* These entries will not appear in the Central Daily Sheet.

Note.—Taluk Treasuries need not render any monthly account or lists of payments to the District Treasury from October 1951, *i.e.*, in respect of transactions on and after 26th September 1951.

(*ii*) The daily sheets which will be supported by the relevant chellans and vouchers should be despatched invariably by the next mail by Registered Post. Copies of subsidiary registers/lists of payments need not be prepared at Taluk Treasuries on and after 26th September 1951 except when specifically required by the Deputy Commissioner for the use of administrative departments. Printed forms of the Daily Sheets will be supplied to the District Treasuries for distribution in due course.

(*iii*) The District Treasuries should watch the punctual receipt of Taluk Daily Sheets. The transactions included in these sheets should *on the day of receipt* be posted, *after the necessary scrutiny* into the subsidiary registers of the District Treasury as if the transactions had taken place at the District Treasury itself. The transactions relating to remittances of cash to and from a Taluk Treasury from and to another Taluk Treasury within the District or the District Treasury included in the Taluk Daily Sheets should however be excluded from the accounts of the District Treasury as such amounts will form part of the District balance.

Note :—As a partial exception to this rule, the daily sheets from 26th to end of the month of other than March will invariably be incorporated in the District Treasury Registers in the following month. But the daily sheets of 26th to 31st March will all be incorporated in March itself regardless of the dates of receipt at the District Treasury.

(*iv*) The transactions of the Central Government should be reported in separate daily sheets as at present. The receipts and disbursements covered by such sheets should as in the case of State transactions, be entered item by item in the appropriate Central subsidiary registers of the District Treasury.

(v) Two extra columns will be provided in the subsidiary registers of the District Treasury—one to indicate the date of Taluk Treasury Daily Sheet and the other to furnish the daily total of each Taluk Treasury. The entries in these columns will help to distinguish the taluk transactions from those taking place at the District Treasury itself.

(vi) The total of each Taluk Treasury for the day worked out in the subsidiary registers at the District Treasury as above should be agreed with the corresponding figures appearing in the Taluk Daily Sheets. For the purpose of agreement of the Head Accountant's Cash Book with that of the Treasurer at the close of the day, the totals of taluk transactions posted from the daily sheets should be deducted along with the daily totals of transfer transactions of the District Treasury.

(vii) The lists of payments and the monthly account of receipts and disbursements due to this office should be compiled from the subsidiary registers of the District Treasury itself and forwarded to this office strictly on or before the due dates supported by copies of subsidiary registers, chellans, vouchers, *plus* and *minus* memoranda, etc., as prescribed.

2. It would be clear from the procedure outlined above that Taluk Treasury transactions appear in the District Accounts on the date on which they are actually incorporated in the District Treasury registers regardless of the date of transaction. It follows, therefore, that if a daily sheet the transactions of which are to be included in the lists of payments or the monthly account of a particular period is received too late for such inclusion, the transactions can appear only in the account of the period in which the same are incorporated in the District Treasury. But this will not apply to the Taluk Daily Sheets of March which should all be incorporated in the District Accounts in the same month. For this purpose, the Taluk Daily Sheets of the last few days of March received after the end of the month will be posted in the District Subsidiary Registers for March under a new date "31st March (Supplemental)" and the totals thereof passed into the Head Accountant's Cash Book for March in a separate money column, for the purpose of agreement.

3. Deposits made at Taluk Treasuries should be brought item by item through the daily sheets upon the District Deposit Registers and must be numbered in the general series. It will however be sufficient to enter taluk daily totals only in respect of personal deposits, Savings Bank Deposits, Municipal Funds, Village Panchayet Funds, etc., provided such an arrangement does not stand in the way of compilation independently, by the District Tresury, of accounts due to this office. The class of transactions to which this arrangement may be applied may be reported immediately to this office for consideration and approval. Till the approval of this office is received the taluk transactions should be incorporated in the District Registers in detail.

4. The new procedure is not expected to throw much additional work on the District Treasuries as the process of incorporation of taluk transactions can be got done before or after treasury transactions and during the intervals that usually occur between transactions and by distributing the work among the several clerks that deal with corresponding items of work in the District Treasury. Some saving in the District Treasury work has also accrued or will accrue as indicated below :—

(i) By the simplification in the maintenance of Central Accounts introduced with effect from 1st April 1951 ;

(ii) By the elimination of correspondence after the new procedure comes into force between taluk and District Treasuries in respect of the submission of lists of payments, monthly cash accounts revenue statistics, etc., and discrepencies therein ;

(iii) By the discontinuance of the maintenance of the Taluk Subsidiary Registers (State) in form 80 and the Taluk Central Posting Registers, necessitated by the new procedure ;

(iv) By the introduction of pre-audit cheque system in respect of the claims of the Education and Food Departments payable in Bangalore with effect from 1st April 1951 ;

(v) By the discontinuance of the system of entering amounts in words and figures in the Treasury Pay Orders on Cheques, R.T.Rs, Pass Orders, etc.

5. Any doubts or difficulties in actual working may be referred to this office for clarification.

6. The receipt of this circular may kindly be acknowledged by return post.

All-India Final Estimate of Sugarcane 1950-51.

SUMMARY.

	1950-51 Final Estimate	1949-50 Partially Revised Estimate	Percentage increase +of col. 2 over col. 3
Area (Thousand acres)	4,138 ...	3,624 ...	+ 14·2
Yield (Thousand tons of raw sugar—gur	5,462 ...	4,938 ...	+ 10·6

REMARKS.—A significant increase over previous years acreage under sugarcane has been reported from Uttar Pradesh and it has been attributed to high prices of gur at the time of sowing of the crop. There has also been a considerable increase in yiled though it is less than proportionate to the rise in acreage. Madras and Punjab have recorded some increase in acreages and an appreciable rise in yield figures owing to favourable weather conditions. Bihar and Saurashtra also slightly contribute to increased yield. In the former State it has resulted from increased acreage under the crop and in the latter from favourable climatic conditions.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Circular dated 18th August 1951.

To

The Deputy Commissioners, Treasury Department, All Districts.

The Taluk Treasury Officers.

Sir,

Subject :—*Changes in Treasury Procedure—(i) Inclusion of Taluk Treasury Transactions of 26th and onwards in the District Treasury Accounts of the following Month except in March, and (ii) Incorporation of Taluk Treasury Transactions in the Accounts of the District Treasury Daily.*

No.6—T.M. Under the existing procedure, the transactions of Taluk Treasuries of the State from the 1st to the last working day of each month get incorporated in the District Treasury Accounts for the same month. This, however, leads to considerable delay in the submission of the District Accounts to this office owing to the time taken by the Taluk Treasuries to send their II lists of payments and the monthly cash account to the District Treasury. To obviate this delay, the Government of Mysore have in their Order No. Fl. 2501-4 G.F. 28-51-5, dated 27th July 1951, approved the proposal of this office to get the Taluk Treasury transactions after the 25th of each month incorporated in the District Accounts in the following month except in March. Even then some delay is inevitable as long as District Treasuries depend as they do now, on the Taluk lists of payments and the taluk monthly cash Accounts for the submission of their accounts to this office. To remedy this, the Government have been informed in this office letter No. 20 (B) T.M. dated 9th August 1951, that the procedure of incorporating Taluk Treasury transactions in the accounts of the District Treasury daily as prescribed by the Comptroller and Auditor-General of India and followed in Part A States, would be introduced in the State treasuries also with immediate effect. This procedure is however proposed to be brought into force from 1st October 1951, *i.e.*, commencing with the Taluk Treasury transactions of 26th September 1951 and onwards. Agreeably to these arrangements, the following instructions are issued for the guidance of District and Taluk Treasuries in the State :—

(*a*) Special procedure to be followed for August and September 1951 only.

(*i*) The Taluk Treasury monthly account for August 1951 will comprise transactions from 1st to 25th of the month only and be despatched so as to reach the District Treasury before the 31st of August. The Account for September 1951 which will include transactions from 26th August to 25th September will also be despatched so as to reach the District Treasury before the end of the month. Copies of Taluk Treasury subsidiary registers will accompany the accounts of these two months, as usual.

(*ii*) Consequential changes in the lists of payments for August and September 1951 due from Taluk Treasuries are indicated below :—

II Lists of payments for August and September 1951 will include payments from 9th to 25th of the month concerned and be despatched to the District Treasury *immediately* thereafter accompanied by the relevant vouchers.

I List of payments for September 1951 will cover payments from 26th August to 8th September 1951 and be despatched to the District Treasury on the 8th itself with the concerned vouchers as prescribed in this office Circular No. 26—T.M. dated 17th April 1951.

(*iii*) These accounts and lists of payments will be consolidated in the District Treasury as heretofore.

(*b*) Procedure to be followed from October 1951, *i.e.*, commencing with the Taluk Treasury transactions from 26th September 1951.

(*i*) With effect from 26th September 1951, the Taluk Treasuries will render to the District Treasury daily an account showing the receipts, disbursements and balance, in the following form (separately for Central and State transactions) in lieu of the daily cash account in Form 81, M.C.A.C. Volume II :—

Daily sheet of.....Taluk Treasury for.... ..... 19..... .

RECEIPTS

No.	Details of Receipts (Major Heads).	Amount	No. of chellans enclosed.

DISBURSEMENTS

No.	Nature of Payments (Major Heads).	Amount	No. of vouchers enclosed.

ABSTRACT

* Opening Balance	...	.....	.....
Receipt of the day.			
* Total Payment of the Day	...	.....	.....
* Closing Balance ...	...	.....	.....
* Details of Balance ...	...	.....	.....

* These entries will not appear in the Central Daily Sheet.

Note.—Taluk Treasuries need not render any monthly account or lists of payments to the District Treasury from October 1951, *i.e.*, in respect of transactions on and after 26th September 1951.

(*ii*) The daily sheets which will be supported by the relevant chellans and vouchers should be despatched invariably by the next mail by Registered Post. Copies of subsidiary registers/lists of payments need not be prepared at Taluk Treasuries on and after 26th September 1951 except when specifically required by the Deputy Commissioner for the use of administrative departments. Printed forms of the Daily Sheets will be supplied to the District Treasuries for distribution in due course.

(*iii*) The District Treasuries should watch the punctual receipt of Taluk Daily Sheets. The transactions included in these sheets should *on the day of receipt* be posted, *after the necessary scrutiny* into the subsidiary registers of the District Treasury as if the transactions had taken place at the District Treasury itself. The transactions relating to remittances of cash to and from a Taluk Treasury from and to another Taluk Treasury within the District or the District Treasury included in the Taluk Daily Sheets should however be excluded from the accounts of the District Treasury as such amounts will form part of the District balance.

Note :—As a partial exception to this rule, the daily sheets from 26th to end of the month of other than March will invariably be incorporated in the District Treasury Registers in the following month. But the daily sheets of 26th to 31st March will all be incorporated in March itself regardless of the dates of receipt at the District Treasury.

(*iv*) The transactions of the Central Government should be reported in separate daily sheets as at present. The receipts and disbursements covered by such sheets should as in the case of State transactions, be entered item by item in the appropriate Central subsidiary registers of the District Treasury.

(v) Two extra columns will be provided in the subsidiary registers of the District Treasury—one to indicate the date of Taluk Treasury Daily Sheet and the other to furnish the daily total of each Taluk Treasury. The entries in these columns will help to distinguish the taluk transactions from those taking place at the District Treasury itself.

(vi) The total of each Taluk Treasury for the day worked out in the subsidiary registers at the District Treasury as above should be agreed with the corresponding figures appearing in the Taluk Daily Sheets. For the purpose of agreement of the Head Accountant's Cash Book with that of the Treasurer at the close of the day, the totals of taluk transactions posted from the daily sheets should be deducted along with the daily totals of transfer transactions of the District Treasury.

(vii) The lists of payments and the monthly account of receipts and disbursements due to this office should be compiled from the subsidiary registers of the District Treasury itself and forwarded to this office strictly on or before the due dates supported by copies of subsidiary registers, chellans, vouchers, *plus* and *minus* memoranda, etc., as prescribed.

2. It would be clear from the procedure outlined above that Taluk Treasury transactions appear in the District Accounts on the date on which they are actually incorporated in the District Treasury registers regardless of the date of transaction. It follows, therefore, that if a daily sheet the transactions of which are to be included in the lists of payments or the monthly account of a particular period is received too late for such inclusion, the transactions can appear only in the account of the period in which the same are incorporated in the District Treasury. But this will not apply to the Taluk Daily Sheets of March which should all be incorporated in the District Accounts in the same month. For this purpose, the Taluk Daily Sheets of the last few days of March received after the end of the month will be posted in the District Subsidiary Registers for March under a new date "31st March (Supplemental)" and the totals thereof passed into the Head Accountant's Cash Book for March in a separate money column, for the purpose of agreement.

3. Deposits made at Taluk Treasuries should be brought item by item through the daily sheets upon the District Deposit Registers and must be numbered in the general series. It will however be sufficient to enter taluk daily totals only in respect of personal deposits, Savings Bank Deposits, Municipal Funds, Village Panchayet Funds, etc., provided such an arrangement does not stand in the way of compilation independently, by the District Tresury, of accounts due to this office. The class of transactions to which this arrangement may be applied may be reported immediately to this office for consideration and approval. Till the approval of this office is received the taluk transactions should be incorporated in the District Registers in detail.

4. The new procedure is not expected to throw much additional work on the District Treasuries as the process of incorporation of taluk transactions can be got done before or after treasury transactions and during the intervals that usually occur between transactions and by distributing the work among the several clerks that deal with corresponding items of work in the District Treasury. Some saving in the District Treasury work has also accrued or will accrue as indicated below :—

(i) By the simplification in the maintenance of Central Accounts introduced with effect from 1st April 1951 ;

(ii) By the elimination of correspondence after the new procedure comes into force between taluk and District Treasuries in respect of the submission of lists of payments, monthly cash accounts revenue statistics, etc., and discrepencies therein ;

(iii) By the discontinuance of the maintenance of the Taluk Subsidiary Registers (State) in form 80 and the Taluk Central Posting Registers, necessitated by the new procedure ;

(iv) By the introduction of pre-audit cheque system in respect of the claims of the Education and Food Departments payable in Bangalore with effect from 1st April 1951 ;

(v) By the discontinuance of the system of entering amounts in words and figures in the Treasury Pay Orders on Cheques, R.T.Rs, Pass Orders, etc.

5. Any doubts or difficulties in actual working may be referred to this office for clarification.

6. The receipt of this circular may kindly be acknowledged by return post.

Notification dated 15th September 1951.

From

The Accountant-General, Mysore, Bangalore.

To

The Heads of Departments,
All Deputy Commissioners,
Treasury Department, in Mysore State.

Subject:—Application for the closure of State Provident Fund Accounts of Subscribers.

Sir,

No. S.P.F./1-18/51-52/137. I would invite a reference to Rule 9 of the Mysore Government State Provident Fund Rules according to which applications for final withdrawals from the State Provident Fund Accounts should be sent to this office, in Form No. S.P.F. 6, for audit and arranging for payment. Under the existing procedure, the final withdrawal applications are audited and the audited bills with the authorisation for payment are sent to the subscribers themselves through the heads of offices for encashment at the treasury. This procedure is unsound as the original authorities for payment should always be sent to the Treasury Officers direct and not to the parties. Further the particulars furnished in Form No. S.P.F. 6, are not sufficient in many cases. This necessitates further correspondence resulting in delay which is avoidable. It has therefore been decided that the applications for final withdrawals from the State Provident Fund should be forwarded to this office in the form appended instead of in Form No. S.P.F. 6. On receipt of the applications, the final balance standing to the credit of the subscribers will be determined and the Treasury Officer authorised to pay the amount. INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Notification dated 15th September 1951.

From

The Accountant-General, Mysore, Bangalore.

To

The Heads of Departments,
All Deputy Commissioners,
Treasury Department, in Mysore State.

Subject :—Application for the closure of State Provident Fund Accounts of Subscribers.

Sir,

No. S.P.F./1-18/51-52/137. I would invite a reference to Rule 9 of the Mysore Government State Provident Fund Rules according to which applications for final withdrawals from the State Provident Fund Accounts should be sent to this office, in Form No. S.P.F. 6, for audit and arranging for payment. Under the existing procedure, the final withdrawal applications are audited and the audited bills with the authorisation for payment are sent to the subscribers themselves through the heads of offices for encashment at the treasury. This procedure is unsound as the original authorities for payment should always be sent to the Treasury Officers direct and not to the parties. Further the particulars furnished in Form No. S.P.F. 6, are not sufficient in many cases. This necessitates further correspondence resulting in delay which is avoidable. It has therefore been decided that the applications for final withdrawals from the State Provident Fund should be forwarded to this office in the form appended instead of in Form No. S.P.F. 6. On receipt of the applications, the final balance standing to the credit of the subscribers will be determined and the Treasury Officer authorised to pay the amount. A copy of this letter will be sent to the Officer who forwarded the application and he will draw the amount from the treasury in a pay bill form and disburse it to the persons concerned under proper acquittance. A copy of the authority will also be endorsed to the parties concerned for information.

This new procedure will be brought into force immediately.

Yours faithfully,
S. GUPTA,
Accountant-General.

Application for the closure of State Provident Fund Accounts.

The State Provident Account, details of which are given below, may be finally closed and the balance standing at its credit may authorised for payment :—

1 (a) Subscriber's name ... ...
(b) Subscriber's address... ... .
2 Subscriber's State Provident Account Number. .....
3 Date of termination of service or or death. .....
4 Amount of last fund deduction with the date of the treasury voucher or gross amount of the bill from which it was deducted and date of encashment of bill. .....
5 Balance of temporary advance, if any, outstanding against the subscriber. .....
6 Name of treasury at which payment of Provident Fund money is required. .....
7 Is the subscriber alive and is the payment proposed to be made to him. .....
8 If the subscriber is dead, whether there is any nominee. .....
9 If the subscriber is dead and there is no nominee.—
(a) Name of the legal representative of the subscriber's estate as determined by a competent Civil Court with his/her address—when the balance at credit exceeds Rs. 1,000—(Heirship Certificate to be enclosed). .....
(b) Name of person to whom the Head of the Department considers that the amount should be paid with his/her address—when the balance at credit does not exceed Rs. 1,000 (Relationship of this person to the subscriber to be stated and the specific recommendation of the Head of the Department given over his signature). .....

Date..... Signature of Head of Office/Department*
Station..... and Designation

Note.—*Signature of the Head of the Department is required *only* when item 9 (b) has to be filled in.

Notification dated 15th September 1951.

To

All Heads of Departments in Mysore State.

Subject :—Communication of balances in the State Provident Fund Accounts of subscribers.

Sir,

No. S.P.F.—1-3—51-52—140. The work connected with the maintenance of State Provident Fund (Mysore Government) accounts of subscribers has been in arrears for some years past and a special staff has been put on this

work. It is expected that the entire arrears will be cleared by the end of 1951. The balances standing to the credit of the subscribers in their State Provident Fund Accounts to end of 1950-51 (*i.e.* as on 31st March 1951) will be communicated to them in Account Slips in January 1952. The subscribers may therefore be requested to wait till then and not to send their State Provident Fund Pass Books to this office as the system of writing up of pass books has been discontinued. The subscribers may also be instructed to send all their references connected with their State Provident Fund Accounts through the offices in which they are serving or have served last (in the case of retired officials) and not to address the Accountant-General direct.

Yours faithfully,

V. K. SUBRAMANYAM,
Deputy Accountant-General.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Notification dated 15th September 1951.

From

The Accountant-General, Mysore, Bangalore.

To

The Heads of Departments,
All Deputy Commissioners,
Treasury Department, in Mysore State.

Subject :—Application for the closure of State Provident Fund Accounts of Subscribers.

Sir,

No. S.P.F./1-18/51-52/137. I would invite a reference to Rule 9 of the Mysore Government State Provident Fund Rules according to which applications for final withdrawals from the State Provident Fund Accounts should be sent to this office, in Form No. S.P.F. 6, for audit and arranging for payment. Under the existing procedure, the final withdrawal applications are audited and the audited bills with the authorisation for payment are sent to the subscribers themselves through the heads of offices for encashment at the treasury. This procedure is unsound as the original authorities for payment should always be sent to the Treasury Officers direct and not to the parties. Further the particulars furnished in Form No. S.P.F. 6, are not sufficient in many cases. This necessitates further correspondence resulting in delay which is avoidable. It has therefore been decided that the applications for final withdrawals from the State Provident Fund should be forwarded to this office in the form appended instead of in Form No. S.P.F. 6. On receipt of the applications, the final balance standing to the credit of the subscribers will be determined and the Treasury Officer authorised to pay the amount. A copy of this letter will be sent to the Officer who forwarded the appliction and he will draw the amount from the treasury in a pay bill form and disburse it to the persons concerned under proper acquittance. A copy of the authority will also be endorsed to the parties concerned for information.

This new procedure will be brought into force immediately.

Yours faithfully,
S. GUPTA,
Accountant-General.

Application for the closure of State Provident Fund Accounts.

The State Provident Account, details of which are given below, may be finally closed and the balance standing at its credit may authorised for payment :—

1 (a) Subscriber's name ... .
(b) Subscriber's address... .....
2 Subscriber's State Provident Account Number. .....
3 Date of termination of service or death. .....
4 Amount of last fund deduction with the date of the treasury voucher or gross amount of the bill from which it was deducted and date of encashment of bill. .....
5 Balance of temporary advance, if any, outstanding against the subscriber. .....
6 Name of treasury at which payment of Provident Fund money is required .....
7 Is the subscriber alive and is the payment proposed to be made to him. .....
8 If the subscriber is dead, whether there is any nominee. .....
9 If the subscriber is dead and there is no nominee.—
(a) Name of the legal representative of the subscriber's estate as determined by a competent Civil Court with his/her address—when the balance at credit exceeds Rs. 1,000—(Heirship Certificate to be enclosed). .....
(b) Name of person to whom the Head of the Department considers that the amount should be paid with his/her address—when the balance at credit does not exceed Rs. 1,000 (Relationship of this person to the subscriber to be stated and the specific recommendation of the Head of the Department given over his signature). .....

Date..... Signature of Head of Office/Department*
Station..... and Designation

Note.—*Signature of the Head of the Department is required *only* when item 9 (b) has to be filled in.

Notification dated 15th September 1951.

To

All Heads of Departments in Mysore State.

Subject :—Communication of balances in the State Provident Fund Accounts of subscribers.

Sir,

No. S.P.F.—1-3—51-52—140. The work connected with the maintenance of State Provident Fund (Mysore Government) accounts of subscribers has been in arrears for some years past and a special staff has been put on this work. It is expected that the entire arrears will be cleared by the end of 1951. The balances standing to the credit of the subscribers in their State Provident Fund Accounts to end of 1950-51 (*i.e.* as on 31st March 1951) will be communicated to them in Account Slips in January 1952. The subscribers may therefore be requested to wait till then and not to send their State Provident Fund Pass Books to this office as the system of writing up of pass books has been discontinued. The subscribers may also be instructed to send all their references connected with their State Provident Fund Accounts through the offices in which they are serving or have served last (in the case of retired officials) and not to address the Accountant-General direct.

4015 ... Dated 23th September 1951.

To

All Heads of Departments in Mysore State.

Subject : Procedure to be followed by Government servants in submitting their applications for admission to the State Provident Fund.

Sir,

No S.P.F. 1-9—51-52—209. While submitting their applications for admission to the Mysore Government State Provident Fund, the Government servants are not giving all the particulars required. The rate of subscription noted in them is also not in accordance with the State Provident Fund Rules. This results in much unnecessary and avoidable correspondence. I therefore request that the Government servants who desire or are required to subscribe to the Mysore Government State Provident Fund may be directed to follow strictly the instructions given below, while submitting their applications to this office :—

1. The applications should invariably be submitted *in duplicate.*

2. A declaration of nomination in Form No. S.P.F. 4 should be attached to the applications.

3. A certificate that the Government servant is joining the State Provident Fund for the first time and that no account number has been allotted to him should be given in the applications.

4. Whether the applicant is a compulsory or optional subscriber should be noted in the relevant column (*vide* Rule 2 and the exception thereunder of the Mysore Government State Provident Fund Rules).

5. The monthly rate of subscription should be in whole rupees and not be less than $6\frac{1}{4}$ per cent of the Government servant's pay; if $6\frac{1}{4}$ per cent of the pay is not in whole rupees, the sum in whole rupees next below that amount may be taken as the minimum.

6. A Government servant can commence subscription to the State Provident Fund *only after* his application for admission to the State Provident Fund has been admitted and an account number has been allotted by the audit office. The initial subscription *should not* be remitted into the treasury or deducted from the pay bill *before* he is admitted to the Fund by the audit office.

7. All particulars in the application form should be entered *legibly* and *correctly*.

V. K. SUBRAMANYAM,
Dy. Acct.-Genl.

MISCELLANEOUS DEPARTMENT.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 1st October 1951.

No. T. 7353. In view of the favourable supply position of cloth, Notification No. T. 5465, dated 19th July 1951 and Notification No. T. 6379, dated 1st September 1951, issued in modification of Notification dated 30th May 1950, is hereby cancelled and the revised modification to Notification No. T. 2138, dated 30th May 1950, is indicated for the information of the licensed cloth dealers in the State. This Notification will come into force from 1st October 1951 and will remain in force until further orders.

2. As the dealers are aware, in certain areas definite number of Retailers are attached to Wholesale Dealers and the Whalesale Dealers were permitted to sell Local Mill goods as well as Bombay, Ahmedabad and Sholapur Mill goods to the attached Retail Dealers, subject to the instructions issued from time to time. In view of the abundant supplies of cloth, the attachment of Retailers to Wholesale Dealers in areas where it has been completed is hereby suspended until further orders. The Wholesale Dealers are permitted to sell Local Mill goods to Retailers in the District to which they are attached not exceeding 500 yards to a Retailer, provided that the Retailer concerned shows in the Quota Form that he has already purchased 400 yards of Bombay, Ahmedabad and Sholapur Mill goods from one or many Wholesale Dealers in the State for that month. In other words a Retailer in a District is permitted to purchase during a month a maximum quantity of 500 yards of Local Mill goods after purchasing a minimum of 400 yards of Bombay and Ahmedabad goods. When once this quantitative limit of 500 yards of Local Mill goods has been reached, the Wholesale Dealers should not sell further quantities of Local Mill goods to such Retailers for that month. The Wholesale Dealers should further note that they should not sell Local Mill goods to Retailers beyond the District to which they are attached. As regards the unsold stocks of Binny Mills after 15 days from the date of Purchase Authority, the Wholesale Dealers who are unable to sell costly Binny goods are permitted to sell such unsold Binny goods to any Retailer throughout the State within the quantitative limit already specified.

3. Restrictions imposed regarding the sale of Dhoties as contained in Notification No. T. 5601, dated 23rd July 1951, is hereby withdrawn and the Wholesale Dealers are permitted to sell dhoties to a Retailer not exceeding 25 pairs during a month within the quantitative limit of 500 yards and the Retailers are free to sell Dhoties received (Local, Bombay, Ahmedabad and Sholapur) without awaiting for the permits from the Revenue Authorities or the Inspectors of Civil Supplies, to the consumers in their respective areas.

4. *Mettur Goods.*—As regards sale of Mettur Mill goods the Wholesale Dealers who get the allotment are permitted to sell the Mettur goods to the Retailers in the district not exceeding 40 yards per Retailer per month and the Retailers who receive such goods are permitted to sell the same to the consumers without any permits.

5. *Bombay, Ahmedabad and Sholapur Mill Goods.*—With effect from 1st October 1951, the Wholesale Dealers are permitted to sell Bombay, Ahmedabad and Sholapur Mill goods to any Retailer throughout the State without any quantitative limit but sales effected should be noted in the Quota Forms attached to the Licensees. Further, the Wholesale Dealers are permitted to sell sound goods, fents and seconds of Bombay, Ahmedabad and Sholapur goods to Readymade Dress Manufacturers or to Retailers without any quantitative limit.

6. *Purchase of freesale goods by nominees and wholesalers.*—In view of large stocks being made available towards the State quota, and the stocks remaining in larger quantities with Nominees and Wholesale Dealers, the Nominees and Wholesale Dealers who were hitherto purchasing free sale goods either from the dealers or from the mills outside the State are not permitted to purchase without prior permission such freesale goods and sell such freesale goods in the State from 1st October 1951 to 1st December 1951. This restriction has been imposed just to avoid goods purchased under discount being sold at Ex-mill rate *plus* margin which indirectly encourages the Nominees or the Wholesalers concerned to make higher percentage of profits than allowed under existing rules. Nominees and Wholesalers are therefore requested not to enter into contract for purchases of freesale goods during October and November either with dealers or with the Mills outside the State and if they do so, they do it at their own risk, and no concession will be shown regarding their disposal even if such goods are brought into the State.

7 *Sale of Cloth.*—Local Mills, or Bombay, Ahmedabad, Sholapur and other Mill goods should be noted in the Quota Forms of Retailers.

8 Violation of instructions regarding the limit of areas of sale, quantitative restriction regarding Local Mill goods, omission to note the sales in Quota Forms will entail cancellation of licenses and quotas of the dealers concerned without prejudice to the action that may be taken under the Cotton Textile Control Order, 1948.

Controller of Civil Supplies.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Dated 28th September 1951.

To

All Heads of Departments in Mysore State.

Subject: Procedure to be followed by Government servants in submitting their applications for admission to the State Provident Fund.

Sir,

No. S.P.F. 1-9—51-52—209. While submitting their applications for admission to the Mysore Government State Provident Fund, the Government servants are not giving all the particulars required. The rate of subscription noted in them is also not in accordance with the State Provident Fund Rules. This results in much unnecessary and avoidable correspondence. I therefore request that the Government servants who desire or are required to subscribe to the Mysore Government State Provident Fund may be directed to follow, strictly the instructions, given below, while submitting their applications to this office:—

1. The applications should invariably be submitted *in duplicate.*

2. A declaration of nomination in Form No. S.P.F. 4 should be attached to the applications.

3. A certificate that the Government servant is joining the State Provident Fund for the first time and that no account number has been allotted to him should be given in the applications.

4. Whether the applicant is a compulsory or optional subscriber should be noted in the relevant column (*vide* Rule 2 and the exception thereunder of the Mysore Government State Provident Fund Rules).

5. The monthly rate of subscription should be in whole rupees and not be less than 6¼ per cent of the Government servant's pay; if 6¼ per cent of the pay is not in whole rupees, the sum in whole rupees next below that amount may be taken as the minimum.

6. A Government servant can commence subscription to the State Provident Fund *only after* his application for admission to the State Provident Fund has been admitted and an account number has been allotted by the audit office. The initial subscription *should not* be remitted into the treasury or deducted from the pay bill *before* he is admitted to the Fund by the audit office.

7. All particulars in the application form should be entered *legibly* and *correctly.*

Circular dated 29th September 1951.

To

All Heads of Departments,
All Executive Engineers in charge of P. W. Divisions.
All District Forest Officers,
All Other Drawing Officers,
All Treasury Officers.

Subject:—Settlement of the claims of the Railway Department on the several Departments of the State.

Sir,

No. 13—T.M. In modification of the procedure prescribed in Circular No. 591—B2., dated 13th October 1950, the following procedure may be followed in future in the settlement of the claims of the Railway Department. The bills of the Railway Department except those payable at Bangalore need not, henceforth, be sent to this office for pre-audit and payment. Separate A.C. or D.C. bills as the case may be should be prepared for the amounts of the bills of the Railway Department. These A.C./D.C. bills should not be encashed but got adjusted in the accounts of the Treasury by transfer credit to the head "Adjusting Account with Railways—Southern Railway (Mysore) P.W, or other Railway concerned)."

In the case of claims on the P. W. and Forest Departments of the State, the amounts of the bills of Railway Department should be adjusted in the accounts of the concerned Division by debits to the relative Service Head and credit to the Head "Adjusting Account with Railways—Southern Railway (Mysore) (or other Railway concerned)" as the case may be.

These credits will in the usual course be included in the monthly settlement of Central transactions effected by this Office after the close of the month.

No deductions may be made in the bills of the Railway Department except for correcting apparent arithmetical errors. If there is any difference between the amount due and claimed, the points should be got settled by correspondence with the concerned Railway Accounts Officer. Deductions from Railway bills should be made only after obtaining the consent of the Railway Accounts Officer.

Yours faithfully,

V. K. SUBRAMANYAM,
Deputy Accountant-General.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Dated 28th September 1951.

To

All Heads of Departments in Mysore State.

Subject: Procedure to be followed by Government servants in submitting their applications for admission to the State Provident Fund.

Sir,

No. S.P.F. 1-9—51-52—209. While submitting their applications for admission to the Mysore Government State Provident Fund, the Government servants are not giving all the particulars required. The rate of subscription noted in them is also not in accordance with the State Provident Fund Rules. This results in much unnecessary and avoidable correspondence. I therefore request that the Government servants who desire or are required to subscribe to the Mysore Government State Provident Fund may be directed to follow, strictly the instructions, given below, while submitting their applications to this office :—

1. The applications should invariably be submitted *in duplicate.*

2. A declaration of nomination in Form No. S.P.F. 4 should be attached to the applications.

3. A certificate that the Government servant is joining the State Provident Fund for the first time and that no account number has been allotted to him should be given in the applications.

4. Whether the applicant is a compulsory or optional subscriber should be noted in the relevant column (*vide* Rule 2 and the exception thereunder of the Mysore Government State Provident Fund Rules).

5. The monthly rate of subscription should be in whole rupees and not be less than 6¼ per cent of the Government servant's pay ; if 6¼ per cent of the pay is not in whole rupees, the sum in whole rupees next below that amount may be taken as the minimum.

6. A Government servant can commence subscription to the State Provident Fund *only after* his application for admission to the State Provident Fund has been admitted and an account number has been allotted by the audit office. The initial subscription *should not* be remitted into the treasury or deducted from the pay bill *before* he is admitted to the Fund by the audit office.

7. All particulars in the application form should be entered *legibly* and *correctly.*

Subject :—Settlement of the claims of the Railway Department on the several Departments of the State.

Sir,

No. 13—T.M. In modification of the procedure prescribed in Circular No. 591—B2., dated 13th October 1950, the following procedure may be followed in future in the settlement of the claims of the Railway Department. The bills of the Railway Department except those payable at Bangalore need not, henceforth, be sent to this office for pre-audit and payment. Separate A.C. or D.C. bills as the case may be should be prepared for the amounts of the bills of the Railway Department. These A.C./D.C. bills should not be encashed but got adjusted in the accounts of the Treasury by transfer credit to the head "Adjusting Account with Railways—Southern Railway (Mysore) P.W, or other Railway concerned)."

In the case of claims on the P. W. and Forest Departments of the State, the amounts of the bills of Railway Department should be adjusted in the accounts of the concerned Division by debits to the relative Service Head and credit to the Head "Adjusting Account with Railways—Southern Railway (Mysore) (or other Railway concerned)" as the case may be.

These credits will in the usual course be included in the monthly settlement of Central transactions effected by this Office after the close of the month.

No deductions may be made in the bills of the Railway Department except for correcting apparent arithmetical errors. If there is any difference between the amount due and claimed, the points should be got settled by correspondence with the concerned Railway Accounts Officer. Deductions from Railway bills should be made only after obtaining the consent of the Railway Accounts Officer.

4365

Notification dated 15th October 1951.

Subject :—Cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore, Limited.

No. 5 Books. At present, cheques received by the Departmental Officers in Bangalore, in satisfaction of Revenue dues to Government are remitted to the Bank of Mysore, Ltd., for credit to the respective Suspense Accounts opened in the names of such officers. The amounts standing at the credit of these accounts are transferred to the Main Government account at the end of each week and also at the end of each month. It is not correct that money belonging to Government should be kept outside the account of the State even temporarily. Besides, some of the officers are not sending the classification statements promptly and this causes much unnecessary correspondence and delay in accounting.

It is therefore proposed to close the cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore Ltd., and to give effect to the following new procedure from 1st November 1951 in regard to the realisation and accounting of the cheques received by the Departmental Officers.

(a) Each officer should remit the cheques to the Bank for credit to the Government Account with a challan (in triplicate) furnishing full classification for the amount. The challans should be serially nu bered and dated.

(b) The Bank should credit the amounts after realisation directly to the Government Account giving also reference to the challan No. and date.

(c) Along with the daily statement of account to be forwarded to the Accountant-General, the Bank should send the original challan relating to each of the credits in the statement on account of cheques remitted by the Departmental Officers, as is now being done in respect of cheques remitted by the District Treasuries. The duplicate challans should be sent by the Bank to the officers concerned, noting on them the date on which the amount has been credited to the Government Account. The triplicate copies may be retained by the Bank for its reference.

(d) The Book Section of the Accountant-General's Office will classify the amounts as noted in the challans and compile the accounts. After the compilation for each month is over, the officers or the Departments concerned may send a clerk to the Accountant-General's Office and get the figures verified. In regard to realisation of cheques relating to sales Tax, mofussil officers are allowed to remit them to the Bank through the local Branches. This procedure may continue, but the Commissioner of Sales Tax has to get the figures from the several officers of his Department and arrange for the verification of the consolidated credit appearing in the Bank Accounts.

(e) Only cheques received in satisfaction of the Revenue due, to the Government should be remitted to the Bank directly, as at present.

V. K. SUBRAMANYAM,
Dy. Accountant-General.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Notification dated 23rd October 1951.

To

All Drawing Officers in Bangalore.

Sir,

Subject:—PRE-AUDIT OF BILLS.

No. 17—T.M. With effect from 1st November 1951, the procedure applicable to pre-audit of bills will be modified as under:

(i) Bills presented for pre-audit should not contain acknowledgments nor need they be stamped in any case. Otherwise, they will be signed as at present with the necessary certificates, etc.

N.B.—This procedure applies also to bills sent by post.

(ii) The cheques will be delivered to the payees or to their messengers at payee's risk.—

(a) On the surrender of the token issued, if any, and
(b) On furnishing the payee's receipt for the amount claimed.

If an advice that the bill has been passed has been received by the payee it should also be furnished.

The receipt should be in the following form and duly stamped where required.

TOKEN NO.....

" Received by cheque Rs.....(in words) (Rupees..... ....) from the Accountant-General in payment of my bill, dated ....,on account of ...."

N.B.—Whenever disallowances are made in pre-audit, intimation thereof are sent in advance so that receipts for the actual amounts passed may be forwarded by the payees concerned.

2 Under the modified procedure, cheques cannot be delivered at the Pay Section of this Office until the payee's receipts are examined and found to be in order. At the same time, the messengers' signatures have to be taken on the receipts. To allow the Pay Section sufficient time to attend to these processes, there should be no rush at the counters. The payees or their messengers taking delivery of cheques should observe the queue system strictly and wait their turn in the queue. The Drawing Officers are, therefore, requested to issue instructions to the messengers attending the Pay Section on their behalf to observe the queue system invariably and not to rush at or enter the Pay Section on any account. Payment will be refused to such payees or messengers who do not queue up but rush at the counters. They are also prohibited from entering into any controversy with the staff of the Pay Section, grievances, if any, being brought to the notice of the Assistant Comptroller, Pay Section.

3 To minimise rush on the first working day of the month, delivery of the pay cheques will be commenced on the last working day of the month, in future, between 3 P.M. and 5 P.M. Delivery on that date will, however, be made to the extent cheques are ready of which a list will be published at the Pay Section at 11 A.M. on that day.

4 The attention of the Drawing Officers is drawn to this office Circular Letter No. 464—B2, dated 7th October 1947, extracted below requiring the presentation of the monthly pay bills for pre-audit five days before the last working day of each month. Strict observance of this rule will enable this office to complete the pre-audit in time and deliver the cheques on or before the 1st working day of the following month.

According to Article 45, Mysore Civil Account Code, Vol. I Salary and Establishment Bills payable in Bangalore are at present being received three days before the last working day of each month to which they relate, to facilitate audit and for arranging payment on the due dates. With a view to secure an even flow of work and to minimise delays in payment of Salary Bills on the due date, it is considered necessary to receive such bills five days before the last working day of each month. The Gazetted Officers and Drawing Officers whose salary and Establishment Bills are payable in Bangalore are, therefore, requested to present the bills in future to the concerned Audit Offices five days before the last working day of each month.

These instructions do not apply to bills payable at the Civil Station Treasury.

Yours faithfully,
S. GUPTA,
Accountant-General.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Circular dated 29th September 1951.

To

All Heads of Departments,
All Executive Engineers in charge of P. W. Divisions.
All District Forest Officers.
All Other Drawing Officers.
All Treasury Officers.

Subject :—Settlement of the claims of the Railway Department on the several Departments of the State.

Sir,

No. 13—T.M. In modification of the procedure prescribed in Circular No. 591—B2., dated 13th October 1950, the following procedure may be followed in future in the settlement of the claims of the Railway Department. The bills of the Railway Department except those payable at Bangalore need not, henceforth, be sent to this office for pre-audit and payment. Separate A.C. or D.C. bills as the case may be should be prepared for the amounts of the bills of the Railway Department. These A.C./D.C. bills should not be encashed but got adjusted in the accounts of the Treasury by transfer credit to the head "Adjusting Account with Railways—Southern Railway (Mysore) P.W, or other Railway concerned)."

In the case of claims on the P. W. and Forest Departments of the State, the amounts of the bills of Railway Department should be adjusted in the accounts of the concerned Division by debits to the relative Service Head and credit to the Head "Adjusting Account with Railways—Southern Railway (Mysore) (or other Railway concerned)" as the case may be.

These credits will in the usual course be included in the monthly settlement of Central transactions effected by this Office after the close of the month.

No deductions may be made in the bills of the Railway Department except for correcting apparent arithmetical errors. If there is any difference between the amount due and claimed, the points should be got settled by correspondence with the concerned Railway Accounts Officer. Deductions from Railway bills should be made only after obtaining the consent of the Railway Accounts Officer.

4365

Notification dated 15th October 1951.

Subject :—Cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore, Limited.

No. 5 Books. At present, cheques received by the Departmental Officers in Bangalore, in satisfaction of Revenue dues to Government are remitted to the Bank of Mysore, Ltd., for credit to the respective Suspense Accounts opened in the names of such officers. The amounts standing at the credit of these accounts are transferred to the Main Government account at the end of each week and also at the end of each month. It is not correct that money belonging to Government should be kept outside the account of the State even temporarily. Besides, some of the officers are not sending the classification statements promptly and this causes much unnecessary correspondence and delay in accounting.

It is therefore proposed to close the cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore Ltd., and to give effect to the following new procedure from 1st November 1951 in regard to the realisation and accounting of the cheques received by the Departmental Officers.

(*a*) Each officer should remit the cheques to the Bank for credit to the Government Account with a challan (in triplicate) furnishing full classification for the amount. The challans should be serially numbered and dated.

(*b*) The Bank should credit the amounts after realisation directly to the Government Account giving also reference to the challan No. and date.

(*c*) Along with the daily statement of account to be forwarded to the Accountant-General, the Bank should send the original challan relating to each of the credits in the statement on account of cheques remitted by the Departmental Officers, as is now being done in respect of cheques remitted by the District Treasuries. The duplicate challans should be sent by the Bank to the officers concerned, noting on them the date on which the amount has been credited to the Government Account. The triplicate copies may be retained by the Bank for its reference.

(*d*) The Book Section of the Accountant-General's Office will classify the amounts as noted in the challans and compile the accounts. After the compilation for each month is over, the officers or the Departments concerned may send a clerk to the Accountant-General's Office and get the figures verified. In regard to realisation of cheques relating to sales Tax, mofussil officers are allowed to remit them to the Bank through the local Branches. This procedure may continue, but the Commissioner of Sales Tax has to get the figures from the several officers of his Department and arrange for the verification of the consolidated credit appearing in the Bank Accounts.

(*e*) Only cheques received in satisfaction of the Revenue due, to the Government should be remitted to the Bank directly, as at present.

INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Notification dated 15th October 1951.

Subject :—Cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore, Limited.

No. 5 Books. At present, cheques received by the Departmental Officers in Bangalore, in satisfaction of Revenue dues to Government are remitted to the Bank of Mysore, Ltd., for credit to the respective Suspense Accounts opened in the names of such officers. The amounts standing at the credit of these accounts are transferred to the Main Government account at the end of each week and also at the end of each month. It is not correct that money belonging to Government should be kept outside the account of the State even temporarily. Besides, some of the officers are not sending the classification statements promptly and this causes much unnecessary correspondence and delay in accounting.

It is therefore proposed to close the cheque Remittance Suspense Accounts standing in the names of the several Departmental Officers at the Bank of Mysore Ltd., and to give effect to the following new procedure from 1st November 1951 in regard to the realisation and accounting of the cheques received by the Departmental Officers.

(*a*) Each officer should remit the cheques to the Bank for credit to the Government Account with a challan (in triplicate) furnishing full classification for the amount. The challans should be serially numbered and dated.

(*b*) The Bank should credit the amounts after realisation directly to the Government Account giving also reference to the challan No. and date.

(*c*) Along with the daily statement of account to be forwarded to the Accountant-General, the Bank should send the original challan relating to each of the credits in the statement on account of cheques remitted by the Departmental Officers, as is now being done in respect of cheques remitted by the District Treasuries. The duplicate challans should be sent by the Bank to the officers concerned, noting on them the date on which the amount has been credited to the Government Account. The triplicate copies may be retained by the Bank for its reference.

(*d*) The Book Section of the Accountant-General's Office will classify the amounts as noted in the challans and compile the accounts. After the compilation for each month is over, the officers or the Departments concerned may send a clerk to the Accountant-General's Office and get the figures verified. In regard to realisation of cheques relating to sales Tax, mofussil officers are allowed to remit them to the Bank through the local Branches. This procedure may continue, but the Commissioner of Sales Tax has to get the figures from the several officers of his Department and arrange for the verification of the consolidated credit appearing in the Bank Accounts.

(*e*) Only cheques received in satisfaction of the Revenue due, to the Government should be remitted to the Bank directly, as at present.

NOTIFICATIONS BY THE HEADS OF DEPARTMENTS

JUDICIAL DEPARTMENT

BANGALORE DISTRICT.

Notification dated 6th December 1951.

No. 483 J5.—51-52. In modification of the order issued by me on 1st December 1951 in the matter of granting permission to hold meetings and use of loud speakers in the Corporation limits for election propaganda purposes, I, B. T. Kempanna, B.A., LL.B., District Magistrate, Bangalore District, hereby issue the following order under Section 45 of the Mysore Police Act.

(1) No meetings for election propaganda purpose should be held without obtaining the prior permission of the City Magistrate, Bangalore, for meetings to be held in the undermentioned maidans* in Bangalore City Area and the permission of the First Class Magistrate, Civil Station, for the meetings in undermentioned maidans in the Civil Station area. Prior permission of the Magistrates has been found to be necessary to avoid possible clashes between parties and to afford facilities for peaceful conduct of meetings. However, for meetings to be held in small circles, permission of the Magistrate is not necessary. It is sufficient if the Police Inspector of the area is notified previously of the time and place of meetings so that he may arrange for normal flow of traffic.

(2) There is no objection to loud speakers being fixed for vehicles to be used when vehicles are not in motion or at meetings in non-silent zones.

(3) While these restrictions are found necessary in the maintenance of law and order, I assure the contesting parties that the Magistrates and the police officers have been instructed by me to give permission freely without showing any discrimination between party and party.

Circular Notification dated 10th December 1951.

To

The Hon. Secretaries of
Co-operative Societies in the State.

No. 121 C.S. Instances, not infrequently, have come to the notice of the undersigned that most of the Co-operative Societies interested in dealing in cement, paper, iron and steel and also wooden materials are approaching this office for sending up recommendations to the Heads of Departments or officers concerned on behalf of the societies. It is needless to point out that such a procedure will naturally result in unnecessary correspondence when the societies concerned can approach the officers concerned direct in this behalf. The Heads of Departments and other officers will certainly consider the cases of these societies and comply with their requirements to the extent possible.

The Hon. Secretaries are therefore requested to contact direct the concerned officers in the matter of securing their requirements. If however, any such correspondence is received from the societies in this office, no notice can be taken thereof. The Hon. Secretaries are once again requested to co-operate with the undersigned in minimizing unnecessary correspondence.

ALL MILLS, ETC.

Sub.—**Cotton Control Order, 1950.**

Sirs,

You are already aware that quality control has been introduced by Government for the 1951-52 crop of cotton and that the services of the sworn surveyors of the East India Cotton Association, Ltd., Bombay, will be utilised in this regard. Government have accepted the recommendation made in this connection by the Cotton Advisory Board that each crop should be assessed at reasonable intervals as and when it arrives and the average quality of the crop and prices therefor in terms of the Cotton Control Order should be declared. While transactions put through at these prices will not be subject to survey except on grounds of variation between quality contracted for and quality actually delivered, any claim for premium by the sellers or discount by the buyers will be accepted only after the cotton in question has been surveyed and a survey certificate from the sworn surveyors obtained.

It has accordingly been decided that the Textile Commissioner should from time to time specify the average quality and price for the crop moving in any particular area and where the buyer or the seller alleges that the cotton is of a quality either inferior or superior to the said average quality, the matter should be settled by a reference to the East India Cotton Association, Ltd., Bombay. Where the decision given in this regard by the sworn surveyors of the said Association is disputed by either of the parties concerned, they may refer the matter in appeal to a Committee formed by the Textile Commissioner for this purpose. The decision of this Committee as regards the quality shall be final and the price shall be fixed accordingly. A detailed procedure as regards drawing of samples and their despatch, adjustments of expenses, survey and appeal fees has been drawn up in consultation with the Standing Committee of the Cotton Advisory Board and is set out in the appended note. It should be followed by dealers in cotton for settling disputes regarding class and stable of cotton sold by them from areas in respect of which average quality and prices have been specially notified by the Textile Commissioner.

Yours faithfully,
T. SWAMINATHAN,
Textile Commr.

Procedure for Quality Check.

(*b*) The buyer shall draw samples for the purpose of survey in the presence of the seller from three bales out of every 100 bales tendered. Such samples shall be properly sealed in the presence of the seller, and the buyer will take charge of the samples for despatch to the President, East India Cotton Association, Ltd., Cotton Green Building, Sewree, Bombay, by railway parcel, not later than the second day following the day on which the samples were drawn. If the seller has demanded survey, the cost of the cotton contained in the samples shall be on seller's account. If on the other hand, the survey has been demanded by the buyer, the cost of the cotton contained in the samples shall be on buyer's account. All expenses of despatching these samples to the East India Cotton Association shall,
